Identifying Strengths, Weaknesses, Opportunities and Threats in Workforce Planning

Our organization needs to address and plan for the potentially changing workforce. We need your assistance to develop strategies for this planning effort. Please list our organization's Strengths, Weaknesses, Opportunities and Threats (SWOT) as they relate to workforce planning. This type of planning tool is often referred to as a SWOT Analysis. Please review the environmental scan information prior to completing this survey.

Workforce planning can be defined as a systematic approach to identifying the workforce required to meet an organization's goals and developing the strategies to meet these workforce needs.

Your name will be kept confidential and no responses will be attributed to you.
